Pastor's Thoughts Dr. Rusty J. Sowell

Appreciate Bro. Wayne Ivey and Bro. Chuck Adams preaching this past Sunday. And, wow, what a great night we had as Dr. Jeff Fuller and others shared the Good News in testimony, song, and the spoken word. Tremendous night! A Fire of Revival has been ignited in our fellowship. Looking forward to the days ahead. I trust to see you in church this Sunday.

Student Ministry Rev. Chuck Adams chuck9587@yahoo.com

Please allow me to use my article this week to say just how great I think the young people of PBC are. This summer the youth group of this church spent a week of doing missions and singing praises to our Lord and Savior on their Choir trip and then another week loving on the people of Nashville Tennessee through their summer mission trip at Mfuge there. As I watched them work and listened to their daily stories of loving on and being loved on by the children of Nashville I was amazed at how Spiritually mature this group has become. I do believe that the discipleship opportunities that we afford them each week through Sunday School, Deeper Roots, Choir, and Wednesday night Kinect has had a profound effect on their lives.

We have an awesome group of adults (I cannot express how great they are!!!) that work with our young people each week through Sunday and Wednesday events. I truly believe that God chose these people to be a part of these teenagers lives and it shows! That said... the research dept. of Life-way has determined that for a teenager to remain in

church after graduating High School they have to have made at least three significant contacts in the church. A significant contact would be someone they know by name and feel that they are truly invested in them. If you would like to become a significant contact (a person who is willing to invest a little time in the future of a teenager) please contact me. There are some requirements, and it is not always easy, so pray about it and see if God is leading you to this area of service. The children of this church are the future of this church and I can truly say that the future is looking good!
